Summary

BSIT graduate from Bicol University Polangui (2021–2025) with internship experience at Sutherland, specializing in IT support, troubleshooting, and system maintenance. Skilled in software installation, PC assembly, SQL databases, and basic web development (HTML/CSS/JS). Developed GearUp, a mobile educational app for cyclists, as a capstone project. Recognized as Cum Laude, with strong teamwork, communication, and problem-solving abilities.

Work Experience

Technical Support Representative

Sutherland Philippines

Feb 2025 - May 2025 · 3 months

IT Intern — Sutherland, Pili (Feb–May 2025)

Provided hands-on IT support, including reimaging computers, assembling and disassembling PCs, and performing software installation and maintenance. Assisted in troubleshooting hardware and software issues, listing network port details (netscouting), and encrypting systems. Supported the setup of computers and peripherals, assisted agents with work-from-home setups, and organized IT equipment. Gained practical experience in technical tasks, teamwork, and problem-solving in a corporate environment.

Education

Bicol University Polangui

Bachelor · Information Technology

Aug 2020 - Jun 2025

Bachelor of Science in Information Technology — Bicol University Polangui (2021–2025)Graduated Cum Laude, with strong academic and project-based experience in programming (Web Development, Java, Python, C++), Arduino, and database management using MySQL. Skilled in UI/UX design with Figma and Flutter, and experienced in networking through Cisco Packet Tracer. Completed the capstone project GearUp: A Mobile Educational Application for Cyclists, applying technical skills to solve real-world problems.
